

Dear Members,

With the arrival of the warm weather and the enjoyment of Spring Break in our rear-view mirror it signals that summer is approaching us quickly. We as a Board are very excited for this summer season and are hopeful we will be returning back to our “normal operations” for this season. Our Opening Day is being planned for Saturday May 29th (Memorial Day Weekend) and we all are keeping fingers crossed it is without any restrictions.

It has been a busy preseason getting our special projects aligned and scheduled (see below for more details). The Board has also seen a lot of activity in our membership roster as several bonds have been bought/sold. We are excited to welcome over 20 new families to the pool this year thus far and looking forward to welcoming them into our pool family – a safe place for all to enjoy the summer and socialize with others. In total we have 219 total families currently part of our HSTC community.

Membership Forms & Dues:

The rates for this year’s membership are listed below in the table. The due date is May 14th, 2021. Payments for membership after the due date will incur a \$50 late fee. Please pay your dues via our preferred online methods Zelle or Venmo. Alternatively, payment can be made via PayPal or check via mail. All online payments should be sent to account: Huntingtonpool@gmail.com, and please note

If paying via PayPal make sure to mark that you are paying a person (“friends and family”) AND NOT A BUSINESS. This will avoid any issues with associated fees.

Membership forms can be completed online via this link (preferred method): [HSTC 2021 Registration Form](#), by printing the form in the membership email, or from our website: www.huntingtonpool.org.

Please send printed registration forms and checks to:

We are postponing our tennis program (league play and lessons) until further notice. We have partnered with other clubs so if interested in kids lessons, ladies lessons and ladies teams contact Lani Lyons (Tennis Chair) at 630-723-4423. The courts will be available for pool-member use on a first come basis.

For maintenance members and/or long time members looking to sell their bonds, there are a few families looking to purchase bonds. Please reach out to Jarod Hart (Membership Chair) at hstcmemberships@gmail.com for potential connections to sell. If you also know of any new families looking to join our community please forward them to Jarod and the above email as well.

Special Projects Update:

We wanted to provide you updates on the projects where the special assessment monies were assigned to:

1. **Roof:** Repairs are complete. Minor adjustments to exhaust fan and piping remain (to be completed by Opening Day).
2. **Furniture:** The board has made a decision on upgraded chairs, umbrellas that we feel the membership will be happy with. Orders have been placed with arrival prior to opening.
3. **Pool pump room and equipment:** Work has been scheduled and will be complete prior to opening.
4. **Electrical upgrades:** Work has been scheduled and will be complete prior to opening.
5. **Fence Extension:** Putting together the permit for submission and are hopeful to have it completed prior to opening. Proposed drawing has been included in this communication for feedback from members prior to approval.
6. **Handicap chair:** This project has become larger in scope (permitting and engineering costs) than originally intended or budgeted for. The Board has decided to delay this project until next year and secure the budgeted \$3500 collected in the assessment into a savings account to be applied when the project resumes.

We appreciate those families who have made the total payment of \$218 and ask any of you who have an outstanding balance to please pay as soon as possible so that we can pay invoices on the above projects.

Please feel free to reach out to the board with any additional questions on these projects.

Important Dates and Reminders:

Our pool community has thrived on the volunteerism of its members. In order to keep expenses down we typically have 2 “maintenance days” where we ask members to come and help with opening of the pool. Tasks include staging and cleaning of furniture and equipment, general upkeep of grounds, cleaning of deck and other amenities, and organization/cleaning of clubhouse and locker rooms. The pool maintenance days are currently scheduled for **Sunday, May 2nd and May 23rd**. We will be sending out reminders and task sign-ups as we get closer to the dates.

Our social co-chairs are looking to put together a “Tailgate Fiesta” on our grounds for members to come and enjoy an outdoor social gathering prior to the pool opening. Target date is currently Friday May 21st, with Saturday May 22nd as a rain date, so mark your calendars. More information to follow in a separate communication.

The Board does have an open Maintenance Chair position previously filled by Pat Driscoll. This position facilitates general grounds maintenance upkeep and service as needed and is a key role on the board. If interested please contact the board via email at huntingtonpool@gmail.com.

If you have any questions, have any ideas or concerns, please feel free to contact the pool via email at huntingtonpool@gmail.com.

See You Soon!!
